Revival in Brazil

In the month of June we have seen continued growth and revival here in Mairinque. We have had several receive the Holy Ghost and be baptized in Jesus name.

We have also had several events and times of fellowship. The photo above was taken during our Pastor appreciation breakfast!

New Converts Dinner

On June 11, we hosted a dinner for all the new people who have begun attending the church. We had dinner, than each person was able to share their stories, and was able to get to know each other. We had a wonderful time of fellowship.

Marriage Conference

On June 15-16th, we hosted a Marriage Conference here in Mairinque. We were blessed to have the Rogers family come from Louisiana to be apart of this event. The church was blessed by this conference, as a strong church begins with strong families. The AIM team with the Hyphen and Youth group, were put in charge of cooking three meals plus afternoon coffee each day of the event. It was a busy but fun time working together!

District Prince & Princess Tea

On June 20th, we hosted a District Youth event. In this event we have four teaching sessions, and at the end a formal dinner. I along with fellow AIMers, Katie Rhoads and Alyson Watts were asked to speak in two of the sessions. It was an honor to address our youth. This event is such a blessing and we are praying and believing for great things for each person who attended.

House Church

On June 27th, I was given the opportunity to have a church service at the house of one of our families. We had around 45 in attendance, we sang and prayed together, and I taught on how God always has room for the unwanted. After service, we ate and had fellowship. I am so thankful for what God is doing and is going to do!

Overall, I am thankful for all God did in the month of June. We had many events and times of fellowship. We have also had powerful church services, with people receiving the Holy Ghost and being baptized. Great things have been done, but we are believing for greater things to be done. Join with us in prayer for revelation and illumination of the truth for our new people.
