

AIM Brazil

July 2019 Newsletter

Celeste Wise

Last Month in Brazil

July marked six months of my being in Brazil, and while I could not stay the full month my last few days in Brazil were very busy!

I am very thankful for all God did during my time there this year. I am looking forward and praying for greater things in Brazil, and for the door to open for my return!

Kids Church

On July 3rd, fellow AIMER Katie Rhoads and myself taught Wednesday night Kids church. We had a fun time and did a black light puppet song and lesson!

AYC Brazil

Our main focus at the beginning of the month was preparing to host the Apostolic Youth Corp group. We spent a lot of time in cleaning, set up, and shopping to prepare for the group. On July 4th, Sis. Cooper brought the AIM team to downtown São Paulo to meet the AYC group and assist in evangelism. On July 5th, the AYC group came to Mairinque, we had two church services with fellowship and games in between. Then on July 6th, we met up with them again in Campinas for evangelism and service. We are thankful for the group coming and for all that were filled with the Holy Ghost!

Final Sunday

July 7th, was a very emotional day as it was my last Sunday in Brazil in 2019. I taught my final Hyphen class. I am beyond proud of each of them, they have grown so much since the first class in January. I am looking forward to great things for them! Then, that afternoon the church threw a surprise going away Churrasco. After we had a powerful Sunday night service. I am so thankful for all God has done in Mairinque these past six months, and I know the next six are going to be just as impactful. Continue to pray with us for great revival in this city, state, and nation!

Overall, I do not have enough words to describe how thankful I am to have had the opportunity to serve on AIM this year. I am thankful for the leadership and ministry of the Cooper family. It was an honor to be a small part of their burden. I am thankful for their trust and encouragement. Being on AIM has been such a blessing. I am thankful for every friend made and every event I was apart of. I truly found a family in Brazil. I am looking forward to the day I get to fly back and be apart of the mission again. Until then, I am praying and believing for God to answer every promise and revival to explode like Brazil has never seen before.
