ASSOCIATE IN MISSIONS | CARISSA WRIGHT | APRIL 2019

Thank you for all your support through prayer and finance!

Since arriving in Ghana on April 9<sup>th</sup> it has been a privilege to be involved in the work God is doing in this great nation. This month I have helped in the following areas:

- Teaching Sunday School at Various Locations
- Helping at the United Pentecostal Community School
- Printing and Binding Books for Acts Bible College
- Attending Classes at Acts Bible College

Easter Sunday the missionary team celebrated the beginning of a regional church plant in Kpone. Several tents were assembled for the adults to sit under, while the children were taught at a school down the street. The kids enjoyed the songs and lesson on the death, burial, and resurrection, which was a joint effort of several helpers.

Helping at the United Pentecostal School of Tema has been both a learning process and great joy! These smiles greet me every time I walk through the gate and follow me as I walk out at the end of the day. They are full of life. They love learning and soak up all the time and affection that they can while I'm there. Please pray for the students. Only a few of them know truth.
