# MISSION: GREECE

Your AIMer to Greece

~ Megan Yeager ~

## THE FIRST STEP

I have officially arrived on the field! **THANK YOU** for making this mission possible! As soon as my feet hit the ground, I felt right at home. I love the sights and the city of Athens. All of it is breathtaking! But most of all, **I'm in love with the people.** It is the people that make me want to stay in Athens forever.

## A DAY OF THANKSGIVING

On May 26<sup>th</sup>, we celebrated **Asian Thanksgiving!** Multiple Asian countries and cultures were represented. God poured out His spirit and lives were changed. We had **ONE** Nigerian brother baptized in the precious name of Jesus. Over the last two weeks, we have had **THREE** individuals filled with the gift of the Holy Ghost.

Thank the Lord for the harvest!!

We hiked to the tallest point in Athens and prayed over the city.

In preparation for the AYC group, we visited Chalkida.

Please, pray with us for a great harvest of souls this summer!
