Around **90 children** participate in our Vacation Bible School (VBS). We had **19 receive the Holy Ghost!** Glory to God! In addition, one child received **healing** from an ear complication. VBS took a lot of time and energy, but there was **nothing** sweeter than seeing children worship Jesus.

SERVE - AYC reached the refugees by passing out food bags. We made 250 bags filled with water, nonperishable items, and a bible study flyer; we prayed over every bag. I have no words to describe my experience. These people were hungry, both physically and spiritually. Help me pray for the thousands of refugees in Greece!

IMPACT - The Apostolic Youth Corps (AYC) team organized and planned Youth Camp 2019. The first night, one camper's mother was moved by the spirit and baptized in Jesus Name! 11 receive the Holy Ghost! I believe this is only the beginning.
