

# BARCELONA, SPAIN

CHURCH SERVICES: BARCELONA & EL PRAT

Our Associate Missionaries, the Driggers, have planted a daughter work in the city of El Prat, and I have been privileged to assist them with music.

We had "Holy Ghost & Fire" Revival at our main campus, with AIMER Josh Tingley preaching, and had an amazing response.

ZONA JOVEN- (YOUTH/HYPHEN)

-There was a Vigilia en la Playa (all night event at the beach). The young people led worship, had prayer, and had several preachers give 5-minute Bible studies. It was Alaina's (MK to Spain) first youth outing! We all had a blast.

-I was given the opportunity to speak in the Jovenes "Grupo de Vida" (Life Group) this month. We had an incredible time worshipping and sharing the Word. We even had a 1st time visitor!

HOMESCHOOL WITH MK'S ALAINA & LINCOLN AND  
FELLOW AIMER KAILEY

-The kids have worked so hard this month.  
It's crunch time, as they head off to  
deputation next month.

-----  
-It has been a blessing to work alongside  
Kailey this term. She brings so much to the  
table with her background in public school  
teaching.

Our Barcelona Missions team had a  
"Farewell, Kailey" gathering at Poble  
Espanol.

We are sad to see her go, but she has  
made a forever impact.
