## Trip to the U.S.

We are very thankful for what the Lord was able to accomplish, during our trip back. The friendships and partners that were made for Vietnam is very valuable. Our family is beyond grateful to have been in churches in Indiana, Kentucky, Ohio, and Missouri. In the services, God performed miracles, people were baptized, filled with the Holy Ghost, and intercession broke out. It was nothing short of Apostolic.

Our daughter was also fortunate to go to Ohio church camp and NAYC. This was life changing for her to be able to be around other teenagers who believe the same as her.

Thank you for all of your giving, prayers, and fellowship, your generosity and kindness to the work of Vietnam and toward our family, overwhelms us.

## Revival Continues

Special thanks to Bro. David Doan and the Japan team, for taking care of things in Vietnam during our absence. We received reports of people being healed, baptized in Jesus name and being filled with the Holy Ghost.
