

SERVING SPAIN

Returning Home to Spain

We are officially back on Spain soil after three months of deputation in the United States. The end of this month marks one month of returning back and we cannot wait to share all the amazing things that have happened up to this point!

At the end of March we flew to the United States to start our deputation as Associate Missionaries. We enjoyed seeing family and friends that we had not seen in almost two years, and we devoured all the tasty American foods!

March - June

The start of our traveling was a little intimidating due to the short amount of time that we had to raise the funds needed to return. But we did not let that stop our faith we had, knowing that God would make a way like He always does.

The first month was a bit of a slow start, but as we kept traveling, God kept opening up more and more doors. We had been in multiple powerful and miraculous services. It felt like the more we were traveling,

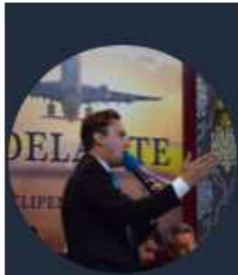

the more God poured out His spirit on His people.

We are so grateful to all the wonderful churches that opened their doors for us and chose to support our burden for Spain. Also, we are thankful for the many amazing connections we made and all the fantastic adventures we encountered.

Our prayer is that God continues moving across North America, touching every Church and Pastor.

Once again God supplied the finances and we flew back to Spain on July 1st. We are more

motivated and excited than before to start this next journey in Spain but we would not be here without your support and prayers. Thank you!

July

The month of July started on a high note for us the moment we arrived in Spain. The music department had an all night prayer and music event that we attended. It was definitely a dynamite start to our return!

Our first Sunday back was filled with lots of love as we greeted

everyone in both the Spanish and the English Church. It was an overwhelming feeling to be back home.

During this month we celebrated with a group of new converts that had graduated from the welcoming class the Church provides. I'm so thankful I serve a God that continues working even when we are not able to.

"Reaching Forward"

Even though we were gone for a few months, God moved in mighty ways in Madrid, Spain. Multiple lives were touched and impacted forever. We are praising God for all He has done and all He is still going to do with the people of Spain.

The following numbers are from the months of March to July.

- Holy Ghost: 91
