2019**

Vision & Voyage

Thank YOU so much for partnering with us as we ready ourselves to bring the true love & power of Jesus Christ to the nations of Iceland and Finland. We just wanted to share the progress God has orchestrated in this fundraising phase of the voyage. We've been able to share our burden in many churches. We've been blessed by and able to partner with:

Pentecostals of Morgan, TX, Pastor Sims
Pentecostals of Flower Mound, TX, Pastor Barry
Lighthouse UPC, Killeen, TX, Pastor Dorsey
Christian Revival Center, Corpus Christi, TX, Pastor Campbell
Christ Temple, Beeville, TX, Pastor Vannoy
Connect Point, Hilo, HI, Pastor Roth
Life Church, El Cajon, CA, Pastor Schexnyder
Calvary Church, San Antonio, TX, Pastor Caruthers
The Rock Church, Justin, TX, Pastor LeJeune

We're grateful for these churches and the families who have also taken us on as PIMs. God has miraculously provided for us over and over again this summer. We were also given the opportunity to be at NAYC in ST. Louis, as well as spend a month in South Texas assisting some dear friends of ours as they transitioned into their new pastoral role.

We have been appointed to do our AIM term for 9 months in Turku, Finland. The plan is for us to assist with the work there and seek open doors for ministry in Iceland and to Icelandic people. Our "faith date" to be in Finland is March 2021. Although we are willing to take unorthodox approaches as well (i.e. employment in Iceland).

Because of your prayer and financial support we are able to advance in the vision He has given us. Thank you for teaming with us. We love and appreciate each church, family, and individual that helps make this voyage possible

Advancing His Kingdom,

Tyrel, Kenda, Jayda, Texas, and Jubilee Butler

Testimony: God our Protector

We currently reside in a RV on my wife's parents' 12-acre ranch in Central Texas. Early in June, an EF2 tornado ripped through our neighborhood and did significant damage to many of the houses. By the grace of God, our RV, which unguarded by any hills or tree lines and highly vulnerable to wind storms, was not affected whatsoever! We rejoice that no one in the town was

hurt by the storm and that our temporary home was safe. It may not be on a solid earthly foundation but the True Cornerstone kept us secure!

Prayer Needs:

1. That the Voyage aligns with God's perfect timing.
2. That we can make connections with Icelanders on this side of the Atlantic Ocean.
3. That our family is led to take every measure to prepare ourselves for work in the Harvest.
4. That Jesus will continue to prepare the hearts of the Icelandic and Finnish people in advance of our arrival.
