

Brethern,

The week I spent in Silves, Southern Portugal was an awesome time. The week prior Pastor Rodrigues had gone down to baptize two new ladies in Jesus Name. On the Tuesday night Prayer and Bible Study both were present, also a young man that I had never seen. I taught on the simplicity of the New Birth. After teaching all three came to the alter. One of the ladies lifted her hands and instantly received the Holy Ghost speaking fluently in a heavenly language. The young man wept so much tears were streaming down his face. He was repenting and calling on Jesus. I laid my hands on him and he, too, began speaking in a fluent language as God refilled him with the Holy Ghost. He had been away from God and was backslidden. What a beautiful renewal and restoration!!

I have been asking God to forgive the nation of Portugal. It is in need of Spiritual Restoration and Revival. Several of the churches here are positioning themselves for Growth and Revival. May God send through the streets, and into all of these apartments a hunger for Truth and Revelation of the Powerful message of the Oneness of God!!! These wonderful people need to know that the Might God is JESUS!

Thank you for all you do for the Kingdom!!

BLESSINGS IN JESUS NAME
