

AIMERS TO ITALY JULY NEWSLETTER

Greetings in the Wonderful Name of Jesus Christ our Lord and Savior! Summer is slowly coming to an end here in Italy, extremely warm temperatures in our part of Italy but there is no rest when planting seeds just adjusting your schedule to stay cool.

With the warmer temperatures it can get really warm during church services here, such a difference from the U.S. with all the air conditioning we are use to but we are adapting and God is still moving.

Church attendance is still fluctuating but visitors are still coming and we are still having church. God's Presence is in every service, so humbling that a Mighty God comes amongst us and communes with us.

God keeps providing for our every need and doors are opening, needs are being met and people are feeling His love. God's love keeps us going daily and keeps us even in those moments of doubt. He is such a loving God! Praying continually for key people to help us reach our community.

Please keep us in prayer for God to keep opening all the doors necessary for revival in Baseline, the region of Campania and all of Italy.

Thank you all for all of your prayers and financial support for this wonderful ministry as we reach out and plant seeds in the field of Campania. All Glory, Honor, and Praise to the One that holds our lives in the palm of His hand! Victory and revival in Italy. May God Bless each of you as you sew into this ministry!
