## Bénin, Africa

### Bible School News

#### Cotonou

Our evening class Dirigeants are enjoying our times of instruction together. We are just finishing teaching The New Birth. We also fed them some Canadian food to give them a taste of Canada.

#### Bohicon

The students in our satellite school are busily working away at their studies as well.

#### Prayer Requests

The Sinwé Lègo church is in need of a new pastor since their longtime pastor died a few months ago.

The church in Amoulécodji is in need of a pastor as they have no leader at all.

Pastors Abiossé and Joseph both need healing from stroke-like symptoms.

Our Bible School students as they continue to seek divine direction for their lives and families.

### *19 filled with the Holy Ghost in Agnavo, Bénin*

On July 7, we had the opportunity to visit the Agnavo, Bénin church with Pastor Félice. President Ballo and Presbyter Michel were also there. About 65 people were in attendance. God filled 19 people with the Holy Ghost for the first time and 7 were refilled! We praise God for His mighty works!

### *13 filled with the Holy Ghost in Fancokohoue, Bénin*

On July 14, we were privileged to be with Pastors Barnabé and Tométin, Presbyter Michel, and the church in Fancokohoue, Bénin. This is a new church plant of less than a year and it usually has about 10-20 attendees. God moved in a beautiful way and 13 people received the Holy Ghost for the first time and 1 lady was delivered in Jesus Name! Praise the Name of Jesus!

### *14 filled with the Holy Ghost in Akpèho Sèmè, Bénin*

On July 21 we visited the church in Akpèho Sèmè, Bénin with Pastors Tométin and Samuel. This church has existed for 10-11 years and had about 65 people in attendance. The people responded to the Word of God and 14 were filled with the Holy Ghost for the first time and 14 more were refilled! God is so worthy of all our praise!

## Building Project

Thanks to Rev. Wayne Munn's financing, we were able to significantly help the new church plant in Lagbé, Bénin. They had a wooden frame and metal roof but nothing else.

For 4 days we travelled out to the site to shovel and mix cement and sand to help out. Now they are rejoicing as they have a new cement floor and foundation, wood walls and beams, 4 wooden benches, and enough cement blocks and bags left over to finish their bathrooms and cement their house floor.

What a joy it is to give to the Lord!

## *20 filled with the Holy Ghost in Sohouè Dovota, Bénin*

Also on July 21, we visited Pastor Tométin's home church in Sohouè Dovota, Bénin. They are in the middle of a building project and the church has 100+ people. The Spirit of the Lord descended and filled 20 people with the Holy Ghost for the first time and refilled at least 10 others! There's no God like our God!

## *8 filled with the Holy Ghost in Séguemey, Bénin*

On July 28, we attended the Mono-Kouffo Regional Youth Conference in Séguemey, Bénin. About 100 people were there. 8 people received the Holy Ghost for the first time and others were refilled. Over the entire weekend, 18 people were filled with the Holy Ghost for the first time! Glory to God!

## *24 filled with the Holy Ghost in Bobicon, Bénin*

On July 29, we spent the day at the Bohicon Regional Conference at Pastor Martin Noukpé's church in Bohicon, Bénin. Over 200 people attended from several area churches. What a powerful presence of God was there and people lingered for hours in the altar call. 24 people received the Holy Ghost for the first time and countless others were refilled! What a magnificent God we serve!

We await more great reports from this conference and another that is scheduled for later in the week in Savalou, Bénin.
