*“If God has called you,
God knows exactly
where you’re at. God
knows what He’s called
you to do. God knows
when you’ll get there.”*

God has done amazing things throughout the month of July and the beginning of August in Berlin, Potsdam, Bonn and GSN Youth camp.

Berlin

I had the privilege responsibility of teaching Sunday school for the Berlin Church. For 4 weeks we set the foundation of what the Word of God is, who is Jesus, what is the devil and hoe sin came into the world, and repentance and baptism in Jesus name. It has been exciting to see them learn the word of God and memorizing scripture.

Not only were the children growing but so were the adults. Through weekly bible studies and powerful services, Growth has been evident in their worship and response to God.

Potsdam

Multilingual services

Helping in worship and seeing the members began to worship outwardly has been heart warming. In our second service we have a family from Iran and a lady from Germany. Technology has made it possible for each person to hear the word of God in their own language! What a mighty God we serve! God has bought the Hulsmans here at such a perfect time as this.

Bonn

During the 4 days in Bonn, I was able to connect with the wonderful people of TheChurch of Acts with Bro. and Sis Gardner. In the few days I was there I was able to translate, work with the youth and toddlers, participate in the Women of Worth group and fall in love with the people there. One received the Holy Ghost and was baptized in Jesus name that weekend. God is bringing such healing to that church. I know God has an amazing revival for them.

GSN Youth Camp

This year's theme was "Obedience," every activity and service was related to this concept. It was a life changing week. At least 18 children and youth were filled with the Holy Spirit and 5 were baptized in the name of Jesus. God healed, restored, equipped and called young people throughout the week. It was an absolute honor to be a small part of this great week. Huge thank you to the GSN Youth committee, and children's director and teams.
