PRAYER REQUESTS

We are excited that Kolton & Katie Prince have been approved as AIMers to Andorra! Please pray for them as they are in the process of raising funds and working on their visa paperwork. We need them here as quickly as possible!

Please keep our kids in prayer as they start school this month. This semester they will be attending a school that is taught only in the Catalan language. They are incredibly brave to take on this new challenge and we are so proud of them! Pray that they will pick up the language quickly and make good friends, as well as be a light in their new schools.

Celebrating One Year In Andorra!

On August 31st of last year we left Madrid, Spain and ventured into the unknown to plant a church in the capital city of Andorra la Vella, Andorra. We held our first service the following Sunday on September 9th with just a couple of contacts. This past Sunday we had a special service to celebrate all that God has done this past year. We had 24 in attendance, and this is just the beginning of what God is going to do here! Corey preached about having access to the miraculous, and several people came forward for prayer or to stand in the gap for loved ones who need a miracle. We know we are going to hear great reports of healing and salvation!

We were blessed to have Bro. & Sis. Robert Russell with us for a weekend. They are traveling in our region and sharing their passion for soul winning! We were encouraged and equipped with several copies of their bible study, "A Place Prepared for You" - A great tool for reaching our community!

*You are an important part of the work here!
Thank you for partnering with us financially and in prayer for the Nation of Andorra!*
