

## AIM RIGA, LATVIA - AUGUST 2019

### UK&IRELAND GENERAL CONFERENCE

*General conference in Llandudno, Wales was powerful. Michael McBride and myself were able to do a lot of background work as well as to work with AIM UK&I!*

### BAPTISM AND HOLY SPIRIT

*Wednesday, there was an outdoor service. Bystanders were drawn, and as we ministered to them at least 3 received the Holy Spirit, and 2 were baptized later that day. PRAISE GOD!*

### LIBERTY WORSHIP CENTRE

*We had a great move of God at Liberty Worship centre. There was a sweet presence of the Lord, and powerful altar service. We believe that many were healed emotionally.*

### YOUTH NIGHTS

*Youth nights are a great way to connect with young people in Riga. There are new faces almost every Friday. Pray that as the school year starts, young people will continue to come*

### HOMEGROUPS

*Several home groups across the city are experiencing revival. Pray that as we share God's word, it will bring people to salvation.*

### MIRACLES, SINGS, AND WONDERS

*We serve a God that loves to do the miraculous. Two Sundays ago, a young lady was healed of a consistent back and neck pain. Praise God!*

## RESTORATION

Pray with us for restorations in the lives of the Latvians that we are in contact. Many of them have experienced disappointing situations that has withered their grow in God.

We believe for complete freedom and restoration!
