Praise the Lord!

I know it has been several weeks since our last newsletter, but a lot has happened since then and we are excited to share the good reports! God has continued to show his goodness to us time and time again. In addition to several receiving the Holy Ghost and being baptized in our base church here in Lambaré, we have received multiple reports from our churches, within both the Asuncion metro area as well as the interior regions, of new converts being baptized and filled with the power of the Holy Ghost weekly!

This past month we held our National Men's Conference in Paraguay. Bro. Justin Meadors, Metro Missionary to NYC, and Bro. Marco Tulio Oviedo, former President of the UPCI of Colombia were our speakers for this event. We held the camp in our newly renovated campgrounds owned and operated by the UPCI of Paraguay! Our men from around the country were impacted and challenged to go back and take revival to their communities as leaders in their homes and churches.

Finally, we held our continental conference in Cochabamba, Bolivia with around 1,000 in attendance and 10 South American countries represented. Bro. David Schwarz and several of our national presidents from across the continent ministered with great anointing. Numerous were filled, refilled, challenged and healed in the services there. This month we have our National Ladies Conference as well as a National Music Conference coming up. God has continued to bless our group ministries and to open doors for us for new home Bible Studies. Thank you for your continued prayers and support for the work across South America! God bless!

At the highest point in Paraguay, we had a private prayer summit over a city where we are starting a new work.

In the Bible School, our students just completed another semester. In the upper left photo one of our students is delivering a presentation on biblical interpretation. Our New Heights School is hosting its winter festival in the other two photos. We had around 500+ who came out to participate in this year's festival.
