July / August 2019

In July, we held our first all-night prayer in Edinburgh, which was a great success and we hope to make it a regular event.

The Edinburgh crew at the 50th UPC&I General Conference.

August began with our General Conference for the UPC of Great Britain & Ireland, held in Llandudno, Wales. It was an absolutely incredible 50th Jubilee Celebration. Elders who have gone before were honoured, the community was impacted, and we celebrated, wept, and were encouraged in the presence of God. There were 1100+ in attendance, and souls were baptised and filled with the Holy Ghost. We had fifteen people attend from Edinburgh and Dunfermline.

At the end of August, Harvest Bible College Part Time started classes again, and I'm looking forward to doing administration for the program again this year. We have 18 students enrolled for the 2019-2020 school year.

In July, one of our own students from Edinburgh, Akeneta, completed her first year at HBC Part-Time and is now starting her second year courses.

I've also spent a little extra time this month connecting with contacts in the Fife area. Please continue to pray for Dunfermline and also for the doors God is opening into the Edinburgh Spanish community.
