God is good!

We have applied for our year-stay visas and our immigration appointment went very well. Thank you for your prayers! We are now waiting on processing, which could take several months. If our applications were to be rejected, we would have to leave the country for a period of time before we could re-apply.

A precious lady recently moved to Cyprus who had received the Holy Ghost long ago but had since wandered away from God. She was re-filled with the Holy Ghost the first Sunday she came to our church. Having never

been baptized biblically, she was recently buried in Jesus' name!

We recently completed the first of several intensive courses

of Greek with a top-notch Cypriot Greek with whom we have built a great relationship.

Isaac turned one this month!

He works on learning to walk and cutting in teeth while Liliana works on kindergarten homeschool and goes to Greek lessons!
